6 Nations a day - 1 hour a day - 5 days a week

A prayer initiative by [Property of Jesus Christ Ministries](http://www.propertyofjesuschristministries.com)

Dear Christian brothers and sisters

- Do you have a heart for the nations?
- Do you have a heart for prayer?
- Do you want to do something for God and His Kingdom?
- Have you always wanted to be part of a prayer ministry, but never knew how?

What is the www.pray615.org initiative?

There are hundreds of inhabited countries and islands all over the world in need of Christ and prayer. Unfortunately mostly countries that are in the news because of conflict, war and persecution, are on prayer watches.

We at Property of Jesus Christ Ministries believe God has a heart for every tribe and nation. Standing on 1 Timothy 2:3-4 we have decided to pray for every tribe and nation - if an island has an inhabitant, it is on our prayer list.

We realise that many people with a heart for nations will never be able to go to those nations, but this does not disqualify people from being involved in prayer for the nations.

It is for this reason that the Pray615 initiative was birthed: our heart is to see intercessors globally take hands to form a continuous flow of prayer for the world. *To establish this we ask you to dedicate either 6 minutes (Level 1) or one hour a day (Level 2) in prayer for 5 nations (plus Israel), five days a week.* Since the Bible is clear on continually praying for Israel (and Jerusalem) we include Israel as a fixed nation every day (Psalm 122:6, Genesis 12:3).

What am I committing to as a prayer member?

We urge intercessors who can to dedicate *up to* 1 hour per day (Level 2), spending 10 minutes per nation in prayer. If your time is limited you can pray the Level 1 option (praying mainly the crafted prayer we send you every day - as this would take about 6 minutes), or break the hour into prayer portions throughout the day. If you can pray in tongues, we encourage you to do so, if you can't pray in tongues, ask God to give you specific scripture to pray additional to the word linked to the nation. We will provide you with a word or scripture to use as a basis for every nation.

We cannot stress this enough: always speak life not judgement over the nations.

We will send you an e-mail every weekday with the following day's prayer nations and word. Due to different time zones our weekends may not coincide, but this will ensure the continuation of the prayer chain.

We do not prescribe a specific time of prayer, and we encourage people from all countries to join for the specific reason that, with enough intercessors praying in their own time frame and time zones, we will eventually be able to have these prayers running 24 hours a day.

We also encourage you to take a moment to pray God's protection and provision over your fellow intercessors involved in this project (Ephesians 6:18).

Here is your opportunity

Join www.pray615.org by:

E-mailing your name, surname, e-mail address and country of residence to us at pray615@pojic.org (this is kept confidential, not shared with anyone, and not stored on the internet). We will add you to our prayer project team (no membership fee or remuneration is applicable).

As a registered member of the prayer project team you will:

- Receive a daily e-mail (5 days a week) with countries and prayers for the next day.
- Be prayed for daily by the Property of Jesus Christ Ministries team (you and your family).
- Be given the opportunity to give feedback on prophetic words and scripture you received additionally while praying for the nations of the day (this will be added to our records).
- Receive a monthly update of all the nations prayed for by name and date.
- Be given the opportunity to submit any (inhabited) island / country that you do not see on our prayer list - keeping in mind that some islands fall under an island group, for instance the Hawaiian Islands that is 1 entry covering all the islands in that group.

You will receive your daily e-mails and weekly updates from the e-mail address: pray615@pojic.org so please be sure to add it to your "safe sender" list on your mailbox to prevent the e-mails ending in the junk mail folder.

Please feel free to forward this PDF to everyone and anyone that you think might be interested. We do ask that each person that wants to pray with us will submit their details so we can keep track of the various nations we have intercessors praying in, who to pray for and how the progress is going. If at any stage you want to deregister as a member, you are welcome to contact us to remove you from the prayer list (we will always honour your request).

With love in His service
